

# CTEC GOLF TOURNAMENT FUNDRAISER RULES

FORMAT: FOUR PERSON TEAM SCRAMBLE

## NO OUTSIDE ALCOHOL PERMITTED

The Ladies play off the “Red Tee Markers” and Men play off the “White Tee Markers”

EACH TEAM TRIES TO SCORE THE LOWEST TEAM SCORE FOR 18 HOLES

One mulligan per player for use off the tee-box will be available for an additional \$5.00 at the registration table. When a mulligan is used it should be denoted on the score card.

Likewise please track lost balls for all players on the score card.

BE SURE YOU HAVE SUFFICIENT GOLF BALLS IN YOUR BAG.

### ALL PLAYERS DRIVE OFF EVERY TEE:

Note: The team must use each team member's tee shot at least twice (2 times) during the 18 holes.

1. After all the team members have hit their tee shots, the team selects the best shot and all second shots are placed and played within one club length of the selected ball (see #5), and not nearer the hole.
2. After the second and subsequent shots, the best shot is selected continuing within one club length of the selected ball, not nearer the hole. This procedure in the fairway is repeated until on the green.
3. For every shot, you can lift, clean and replace the selected ball.
4. Even in the bunker, you may lift the selected ball, rake the bunker and replace the ball. Remember to rake the bunker when you all are finished. Please fix any of your divots.
5. Wherever the selected ball lies, all shots must be taken from the same ground condition. For example: Fairway on fairway. Rough in rough. Bunker in bunker. Hazard in hazard.

### ON THE PUTTING GREEN:

1. All balls must be placed not further than 4 inches (approximately one putter head length) from the selected ball, not nearer the hole.
2. All team members must putt before a second putt is taken, because: The first ball into the hole counts as the team score – mark it instead.

### MISSING PLAYER PROCEDURE:

If a team has only 3 players, to compensate for the missing player, on a rotation basis each player on each hole may play two shots for that hole as if they were the fourth player. A rotation order for the team must be established prior to the first tee off. Also the number of tee shots each player must use is increased from 2 to 4.

### HANDICAP SYSTEM:

NET SCORES: A team's **net score** is determined by subtracting the team's handicap from the **gross score** (the number of strokes actually taken). The net score be determined by the CTEC staff or volunteer with the use of a computer.

NOTE: Those that do not have an established handicap will use a handicap of 20.

**Definition:** "Gross," or "gross score" in golf refers to the total number of strokes taken during your round of golf, plus any penalty strokes. In other words, your total score without adjustments: add up the numbers on your scorecard at the end of the round, and that's your gross score.

In the case of a tie, CTEC staff will have one member from each team play "rock, paper, scissors" to break the tie(s). These rules are subject to change/updating prior to the start of the tournament.

SCORE CARDS: Each team maintains one scorecard. Each team will designate one person as the score keeper. Please turn your signed scorecard (by the score keeper) to the registration table IMMEDIATELY following play.

**SKILLS CONTESTS ARE LOCATED ON THE FOLLOWING HOLES:**

Closest to the Pin - Women #3 and Men #6

Longest Drive - Women #15 and Men #7

Longest Putt – Women #11 and Men #8 (please use the tape measure)

Most Lost balls – for each team for all 18 holes tracked on your score card.

Just a note regarding Elkhorn Valley Golf, you will lose balls. Do not spend too much time looking for lost balls. If everyone loses a ball on the same shot, take your next shot from that same spot in rotation.
